Our
TIP

Basic stand

466 | OCTA_Premium

ab 2,200.00 €

Example with kit-out*

NEW: Fully faced visible surface with partly backlit textile walls. Our basic stand for high demands.

- Special feature: 3 metres high backlit textile walls in the front (costs for the printing of all walls are included in the price)
- **Advantage: The textile walls can be taken over by the customer upon request**
- lockable booth from 1-sq-m, incl. coat rack + wastepaper basket
- bar table, bar chair, lighting*, carpet gray
- May be enhanced with matching furniture, accessories and technical equipment
- configurable as corner or head stand

DESIGN SUGGESTION

When it comes to labeling suitable walls and panels, full-surface lamination is more effective for advertising than one simple logo with aperture font. Request a non-binding consultation now to get the most out of this service.
